

Architectural cross-section drawing of a building facade and roof structure. The drawing shows a sloped roof with a hexagonal pattern, a vertical wall with a staircase, and a horizontal wall with a window. Elevation markers include +0.15, +0.00, and +2.801. A section line B-B is indicated.

### Schnitt 1-1

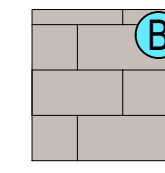

Architectural floor plan of a bathroom with German labels and technical specifications. The plan includes the following elements:

- Vorreinigung Damen** (Women's Pre-cleaning area) and **Vorreinigung Herren** (Men's Pre-cleaning area), both featuring **Türrahmen RAL 9007** (Door frames RAL 9007).
- Geräte KiPla** (KiPla equipment) and **Wickelraum** (Nursery room).
- Multifunktionsraum** (Multi-functional room) with **Festverglasung** (Fixed glazing).
- Fliesenraster** (Tile grid) and **Fliesen** (Tiles) are indicated throughout the plan.
- Stumpfstoffen** (Stump fabric) and **Stoffvernetzung** (Fabric network) are noted in the pre-cleaning areas.
- Luftungsgritter RAL 9007** (Ventilation grates RAL 9007) are shown in the pre-cleaning areas.
- Beim Materialwechsel im Untergrund ist ebenfalls Gewebeanmerkung im Putz vorzusehen** (When changing material in the substrate, also note fabric in the plaster).
- Mauerwerk hier Stumpfstoffen an dieser Stelle ohne Stoffvernetzung** (Masonry here Stump fabric at this location without fabric network).
- Gewebeanmerkung ist im Bereich der Fuge anzubringen** (Fabric note is to be applied in the area of the joint).
- 1 Rückwand 2 Hängende Stühle** (1 Back wall 2 hanging chairs) is noted in the nursery room.
- 120** and **100** are dimensions for the nursery room.
- 120** and **100** are dimensions for the multi-functional room.
- 120** and **100** are dimensions for the fixed glazing.
- 120** and **100** are dimensions for the door frames.
- 120** and **100** are dimensions for the ventilation grates.
- 120** and **100** are dimensions for the tile grid.
- 120** and **100** are dimensions for the tiles.
- 120** and **100** are dimensions for the equipment.
- 120** and **100** are dimensions for the nursery room.
- 120** and **100** are dimensions for the multi-functional room.
- 120** and **100** are dimensions for the fixed glazing.
- 120** and **100** are dimensions for the door frames.
- 120** and **100** are dimensions for the ventilation grates.
- 120** and **100** are dimensions for the tile grid.
- 120** and **100** are dimensions for the tiles.
- 120** and **100** are dimensions for the equipment.

HPL Dekor  
Farbe: Agave  
Oberfl.: eben  
HW 0,28

HPL Dekor  
Farbe: Mint  
Oberfl.: eben  
HW 0,53

**INFORMATION MAUERWERK:**  
Zur Vermeidung von Rissbildung im Putz ist auch bei großformatigem Mauerwerk (z. B. Kalksandstein) die Stoßfugenvermörtelung vorzusehen.  
Die markierten Fugen werden stumpf gestoßen und Stoßfugenvermörtelung entfällt hier bewusst.
