

The architectural floor plan for the second floor (Lernhaus 2 Mitte) is a detailed technical drawing. It features a long, rectangular main body with several rooms and corridors. The plan is divided into sections A through E, with dimensions and elevations provided for each. Key areas include classrooms (B2.21, B2.22, B1.21, B1.22, B1.07, B2.07), a lecture hall (E0.09), a cultural hall (E0.06), a dining hall (E0.05), and a technical area (E0.103). The plan also shows external features like a staircase and a ramp. A red dashed line highlights a specific area with the note 'Anpassung Rauchableitung'. The plan includes numerous annotations for construction and safety, such as 'aerodyn. Rauchableitung Lamellen 1 x min. 0,50m²' and 'OKFF EG ±0,00 ± 50,00m UHN ±0,00'. The plan is a technical drawing with a focus on precision and detail.
