Technical drawing of a building section showing structural details and elevations. The drawing includes various hatching patterns (red diagonal lines, green diagonal lines, red cross-hatching, and red circles) and dimensions. Key features include:

- Dimensions: 12, 12, 24, 11, 10, 5.
- Elevations:  $\pm 0.00$  +58.93üNN, -0.22 +58.71üNN, -0.47 +58.46üNN, -0.52, -0.57, -0.62.
- Structural details: A circular element labeled 12, a vertical element labeled 11, and a horizontal element labeled 24.
- Foundation details: A cross-section of a foundation with a diameter of 12 and a height of 11.

Technical drawing of a stepped embankment cross-section. The drawing shows two levels of the embankment. The top level has a width of 70 and a height of 26. The bottom level has a width of 38 and a height of 26. The embankment is shown with a green hatched pattern. The ground surface is shown with a red hatched pattern. The ground level is marked with a red line and a red arrow pointing to it, labeled -1.29. The embankment top is marked with a red line and a red arrow pointing to it, labeled +57.04üNN. The bottom of the embankment is marked with a red line and a red arrow pointing to it, labeled +56.99üNN. The drawing also shows a cross-section of a road with a width of 70 and a height of 26. The road is shown with a green hatched pattern. The road surface is marked with a red line and a red arrow pointing to it, labeled -1.89. The road edge is marked with a red line and a red arrow pointing to it, labeled -1.94. The drawing includes a scale bar and a north arrow.
