

Architectural section drawing of a swimming pool area. The drawing shows a long, narrow pool with a central lane marked by a dashed line. On the left side, there is a 'Schwimmbecken' (swimming pool) and a 'Schwimmhalle' (swimming hall). The pool is flanked by 'Sitzbank' (seating benches) and 'Entrauchung durch Fenster' (smoke extraction through windows). The drawing includes various dimensions and labels for structural elements and furniture.
